Feedback Parents Evening 1

The feedback I have received was very positive from the Parents Evening and has prompted many questions.

Q How much spending money should I give to my son/daughter?

A We recommend that your child has somewhere in the region of :-

£25 - £50 GBP

150 -200 Euros

This is entirely dependent on your circumstances and what your son/daughter might spend their money on.

Q Will my son/daughter carry their own money?

A. We always encourage pupils to give their money to their group leader and they can issue money on a daily basis. If your son/daughter chooses to keep their money themselves they are responsible for this.

Q Will my son/daughter need to carry their passport?

A No- we will operate a group passport which means pupils do not need to carry individual passports.

Q Why does my son/daughter need to buy lunch?

A We have a booked a half board option (breakfast and evening meal) because many pupils like to choose what and when they eat.

Q Do staff pay for the trip

A No they do not. Equity Travel (like most school operators) have a ratio for staff and pupil places.

Q If my son/daughter is absent from school will it affect their place on the trip?

A If there is a sustained and prolonged absence pattern we may invite you into school to discuss how this will affect your son/daughter on the trip. If there is a medical reason for this we will defer to Equity Travel's Insurance plan.
