We will look at the work of **designer** who create **print for interiors** (fabric wallpapers)

We will **create a sketchbook** to start our design process

We **must** make a sketchbook and draw 5 birds in the sketchbook

We **should** learn about the design process

# WHAT IS DESIGN?

Design is about **solving problem**, or **planning** how something will look and function, and how it will be made.

It is a about meeting **needs** of client or **target market**

It is making **choices** and **decisions**

**During this unit you will be the designer**

# HERE ARE THE STAGES OF DESIGN:

1. DESIGN BRIEF – what have you been asked to do
2. INVESTIGATION & RESEARCH - how will you solve the problem
3. DEVELOPMENT – try things out
4. FINAL OUTCOME –show your final idea
5. EVALUATION – does your design fulfil the design brief?
