

# My New School History Research Project

Use the internet and school library to research and record the following information about your new school. You may know the answers to some of these questions without completing any research.

Task	What have you found out?	Website(s) or book(s) used (if any)	Any problems with finding this information?
What is your new school called?			
Why does it have this name?			
When was your new school built?			
Who was the King/Queen when your school was built?			
Who was the Prime Minister when your school was built?			
What city/town/village is your new school in?			

Has your new school been in the news recently? Try to find a newspaper article about it.			
Have any famous people ever been to your new school (either as visitors or students)? Who?			
Have any famous people come from your city/town/village? Who?
