

# S3 Practical woodwork

Week beginning 1<sup>st</sup> February 2021

## Lesson Intentions

To review my understanding of the different drills used in working wood.

## Success Criteria

- 1) I Must -- recognise the different types of drills that can be used
- 2) I Must -- be able to explain at what stage are the different drills used.
- 3) I Must -- be able to identify the different techniques when using drills to maintain a high quality of workmanship..

---

## Activity

Attached is a worksheet with a heading "shaping wood - Drilling"  
Please read the information on the worksheet and answer the questions at the bottom. All the answers to the questions are in the text provided.

Please email me with you work on:-
